FOR IMMEDIATE RELEASE

PEOPLES BANK OF ALABAMA ANNOUNCES MAJOR BRANCH RENOVATION IN ARAB

ARAB, ALABAMA – November 18, 2026 – Peoples Bank of Alabama is pleased to announce plans to transform an existing building in Arab, Alabama, into a modern, full-service banking facility. The renovation will establish a new branch location located at 1001 N Brindlee Mountain Parkway designed to enhance the customer experience, improve operational efficiency, and provide a welcoming environment that reflects the bank's commitment to personalized service and community banking.

According to Trey Williams, Peoples Bank of Alabama's Central Region Market President, "this new facility will bring our two current Arab branches under one roof. We are excited to see this project through to the end and both proud and anxious to open the doors to our Arab neighbors. This branch is about giving customers a convenient, welcoming place where they can talk with people who know them and care about their goals. We can't wait to share it with the community!"

In partnership with Eclipse Brand Builders, an award-winning commercial design-build firm, Peoples Bank of Alabama will undertake a comprehensive renovation of the 5,865-square-foot facility. The project will reimagine both the interior and exterior, combining contemporary architectural design with functional improvements to include painted brick, updated aluminum-and-glass storefront systems, and a redesigned roofline. The complete replacement of the existing three-lane drive-up canopy with one that has wider lanes and more vehicle clearance will also improve accessibility and convenience from customers utilizing drive-up banking services.

Inside, the renovation will introduce a reconfigured floor plan with a spacious lobby and waiting area providing convenient access to banking services and private meeting spaces. Every detail of the new layout will be strategically incorporated to streamline daily operations and provide employees with a comfortable, productive workplace.

“Through this investment,” said Tim Williams, Peoples Bank of Alabama’s CEO, “we want to create more than just a new banking location. This renovation supports our continued commitment to serving the Arab Community.”

Eclipse Brand Builders was selected to provide comprehensive turnkey design-build services, overseeing the project from initial planning and architectural design through construction and completion. By integrating architecture, engineering, interior design, and construction management under one team, Eclipse will work closely with Peoples Bank of Alabama to deliver a cohesive, high-quality facility tailored to the bank’s operational needs, brand identity, and long-term goals.

Peoples Bank of Alabama, headquartered in Cullman, Alabama, is a trusted community bank dedicated to serving families, individuals, workers, and businesses in North and Central Alabama. We are in the banking business because we believe in helping individuals with their financial well-being.
