Password and User ID

An Administrator or Authorized User must use User ID along with password to access Online Banking. Each Administrator is required to enroll in Online Banking by visiting a branch location to complete an Online Banking Resolution. Administrators can then create additional Authorized Users. The unique User ID must contain a minimum of five (5) characters. The new password must contain a minimum of seven (7) characters, cannot be more than fifteen (15) characters, must contain at least one (1) number, and cannot be the same as the last ten (5) passwords. Passwords are case sensitive.

A User ID and password should not be associated with any commonly known personal identification such as social security number, address, date of birth, or names of relatives. The password should be memorized, not written down.

Administrator or Authorized User will need to remember passwords and User IDs in order to access Online Banking. Passwords are not communicated to the bank. Upon five (5) unsuccessful attempts to log in, access to Online Banking will be suspended until Administrator contacts the bank directly to have the account enabled and/or to obtain a new temporary password. An Administrator may contact a customer service representative at 256-737-7000 or 877-788-0288 for assistance.

You agree not to disclose or otherwise make your User ID or password available to anyone. Except as otherwise provided in this Agreement you agree that we are authorized to act on instructions received under User ID and password. You accept responsibility for the confidentiality and security of all User IDs and passwords. You agree that you will change your password regularly, and that all future passwords will comply with the requirements set forth above.

To protect your account, we will verify your identity by sending you a temporary one time use 6-Digit Secure Access Code. You can receive a Secure Access Code by selecting one of the following: SMS-Text Message, Phone to, or Email. You may use this Service to send and receive secure electronic messages to and from the Bank. In order to use this Service, you must be logged in to Online Banking.

From time to time, the Bank may send unsecured electronic mail to your e-mail address to notify you that certain information is available. The Bank will not ask you to send personal information, such as account numbers and passwords, to the Bank in an unsecured e-mail. If you wish to send personal information to the Bank, you should send a secure message using this Service. You should never send personal information in an unsecured e-mail.

The Bank may not immediately receive electronic mail that you send. Therefore, do not rely only on electronic mail if you need to communicate with the Bank immediately – for example, if you need to stop payment on a check, to report unauthorized use of the security code, or to report an unauthorized transaction from one of your accounts, you need to contact the Bank immediately, at 877-788-0288 or 256-737-7000. The Bank will not take actions based on your electronic mail requests until the Bank actually receives your message and has a reasonable opportunity to act.

Security Alerts

There are alerts that the bank has set up to notify you within Secure Messaging under Security Alerts. These alerts are set to automatically send a notification to Secure Messaging Center. Should you receive an alert and have any questions or concerns please contact us at 877-788-0288 or 256-737-7000.

You may obtain this information, by calling 877-788-0288. To the fullest extent permitted by law, the Bank reserves the right to refuse to include any eligible Peoples Bank of Alabama account within your subscription to Online Banking.

A "**commercial**" account is an account established primarily for Business purposes.

Any obligation that the Bank may have, whether under the applicable Account Agreement or otherwise, to verify two or more signatures or other form of authorization before making payment from any Peoples Bank of Alabama account does not apply to transfers and bill payments requested through Online Banking. By requesting the Bank to include any Peoples Bank of Alabama account online, you waive any right you may have to require the Bank to verify two or more signatures or other form of authorization before making payment from that account, and you release the Bank from liability for any and all claims that arise from or relate to the Bank's payment of a transfer or bill payment requested and authorized through Online Banking by only one person.

As a security precaution, the Bank may use less than the full account number to identify any of your accounts within Online Banking or any alerts that the Bank sends to you. If the Bank chooses to do so, each account will be identified by a name or nickname you have designated for it and/or the last four digits of the account number (such as "My Checking / *9999").

The method of the transfer can be physical shipment (mail or hand-carried on a plane), electronic transmission (facsimile, email or download), or oral communication of information. Also, an export transaction occurs even if the item is not for sale, the item is only leaving the U.S. temporarily, and/or it was sent to a wholly-owned U.S. subsidiary located abroad.

Re-exports: A re-export is a shipment or transmission of U.S.-origin items from one foreign country to another. Also, foreign-made items that have more than a de minimis amount of U.S. content are also covered by the EAR. ***In other words, U.S. jurisdiction follows U.S.-origin goods around the world and liability for EAR violations does not cut off at the U.S. border.***

Deemed Exports: The release of technology or computer source code subject to the EAR to a foreign national located in the U.S. is a "deemed export" to the foreign national's country of origin. The "release of technology" can occur through visual inspections (such as reading technical specifications or seeing a demonstration of a product) or the oral exchange of information (such as a business meeting at which a regulated technology is explained to a foreign national).

H. Fees.

Currently, we do not charge fees for Mobile Banking. However, we may charge the fees set forth in the agreements, disclosures or fee schedules for particular banking products or Accounts (e.g. an overdraft fee), even if the fee results from the use of Mobile Banking. For Bill Pay fees, see Section V.E. We reserve the right to add or change fees for Mobile Banking after sending notice in accordance with this Agreement and any applicable law. You agree that all such fees can be deducted from any Account.

You are responsible for obtaining a mobile communications service provider and for any amount that a service provider may charge for Internet-related use and for SMS text messages. You are responsible for all fees and charges that may be charged by any mobile communications service provider or any other third parties while using Mobile Banking.

I. Stop Payment.

If you have used Mobile Banking to tell us in advance to make regular Electronic Funds Transfers out of an Account that is a deposit account, such as by establishing a series of recurring transfers, you or another Authorized User can stop any of these Electronic Funds Transfers by calling us at 1-877-788-0288 or writing us at Peoples Bank of Alabama, 1912 Cherokee Ave SW, Cullman, AL 35055. If you or another Authorized User requests us to stop one of these Electronic Funds Transfers three (3) Business Days or more before the Electronic Funds Transfer is scheduled to be made and we do not stop or cancel the Electronic Funds Transfer, we will be liable for your losses and damages.

IV. Photo Deposit Terms and Conditions.

A. Services.

The photo deposit capture services ("Services") are designed to allow you to make deposits to your checking and/or savings accounts by scanning checks and delivering the images and associated deposit information to the Bank or the Bank's designated processor. Enrollment for Photo Deposit must be separately requested within Online Banking. The checking or savings accounts designated by you during the enrollment process must be set up through the Bank's online banking service (each such account hereinafter referred to as an "Authorized Account"). Each such deposit is referred to in this Agreement as a "Photo Deposit Transaction." Photo Deposit uses a smartphone camera to take a picture of the front and back of each check and submit the images electronically to make deposits to your checking or savings accounts. When capturing the images, visual brackets provide a guide for centering the check. Each check image is analyzed for quality upon submission; if the image does not pass, you will be immediately notified and you can re-capture the check image. You can cancel the transaction at any time during the photo deposit process. However, once the transaction has been submitted, it cannot be canceled. By using the Service, you authorize the Bank to convert checks to images or create substitute checks for the purpose of clearing the check. The Bank reserves the right to change the Service at any time and in any manner in its sole direction. Your continued use of the Service will indicate your acceptance of any such changes to the Service.

B. Acceptance of these Terms.

By electronically accepting this Agreement, you are agreeing to all of the terms outlined within it. This Agreement is subject to change from time to time. We will notify you of any material change. We will provide you with advance notice of any changes to the terms of this Agreement when required to do so by applicable law. Your continued use of the Service after we provide you notice of changes will indicate your acceptance of the revised Agreement.

C. Limitations of Service.

When using the Services, you may experience technical or other difficulties. We cannot assume responsibility for any technical or other difficulties or any resulting damages that you may incur. We reserve the right to change, suspend or discontinue the Services, in whole or in part, or your use of the Services, in whole or in part, immediately and at any time without prior notice to you.

D. Hardware and Software.

In order to use the Services, you must obtain and maintain, at your expense, compatible hardware and software as specified by the Bank from time to time. See "www.PeoplesBankAl.com" for current hardware and software specifications. You will also be required to download and install the Service application to your smart phone device from your wireless service provider. The Bank is not responsible for any third-party software you may need to use the Services. Any such software is accepted by you as is and is subject to the terms and conditions of the software agreement you enter into directly with the third-party software provider at time of download and installation. You understand and agree that you are solely responsible for any Internet, cellular, data download other charges that your Internet service provider or wireless service provider may impose for your access to the Internet or download of an application to use the Service.

E. Fees.

The Service is provided at no charge to you. We may, upon at least 30 days prior notice to you, to the extent required by applicable law, charge a fee for use of the Service. If you continue to use the Service after the fee becomes effective, you agree to pay the service fee that has been disclosed to you, as may be amended from time to time. Further, you will be required to designate an account at Peoples Bank of Alabama from which fees for the Service will be debited (your "Billing Account"). Any applicable fees for the Service may be changed by us at our discretion at any time upon at least 30 days prior notice to you, to the extent required by applicable law. If the Billing Account is closed, or if the Billing Account does not have sufficient available funds to cover the fees, you authorize us to charge any such fees to any other deposit account you maintain with us.

F. Eligible items.

You agree to scan and deposit only "checks" as that term is defined in Federal Reserve Regulation CC ("Reg. CC"). When the image of the check transmitted to the Bank is converted to an Image Replacement Document for subsequent presentation and collection, it shall thereafter be deemed an "item" within the meaning of Articles 3 and 4 of the Uniform Commercial Code.

G. Ineligible Items for Deposits.

You agree that you will not scan and deposit any of the following types of checks or other items which shall be considered ineligible items:

1. Checks or items:
 - A. Containing obvious alterations to any of the fields on the front of a check or item, or which a customer knows or suspects, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn;
 - B. Dated more than six months prior to the date of the deposit;
 - C. Drawn on a financial institution located outside of the United States;
 - D. Not payable in U.S. currency;
 - E. Previously converted to a substitute check, as defined by Regulation CC;
 - F. That are irregular (e.g., check amount number differs from the written amount);
 - G. That are remotely created checks, as defined by Regulation CC; (whether in paper form or electronically created)
 - H. With no magnetic Ink Character Recognition (MICR) line;
2. Traveler's Checks;
3. U.S. Savings Bonds.
4. Cash

NOTE: Any of the above items will be automatically rejected by the Bank's MRDC program and a customer will receive a corresponding error notice stating that the check or item cannot be processed. Additionally, only Items that are made payable to, and endorsed by, you may be transmitted through the Service.

Except as noted above, only checks drawn on or payable at or through a U.S. bank, can be transmitted through the Service.

Deposits of this nature are grounds for the immediate termination of the Services and an immediate reversal of the transaction or credit to your account. A reversal means the amount of the item(s) deposited will be removed from your account and will reduce your account balance. The reversal may also result in a negative balance on your account and overdraft fees that may occur will be your responsibility.

H. Endorsements.

Endorsements must be made on the back of the check within 1 /12 inches from the top edge, although we may accept endorsements outside this space. Your endorsement must indicate **“For Photo Deposit Only”**. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. A check payable to two payees may only be deposited to an account with the same payee ownership. If a check payable doesn't match the account ownership, the check will be returned.

I. Receipt of Check Images.

We reserve the right to reject any check image transmitted through the Service, at our discretion. We are not responsible for check images we do not receive or for images that are dropped or become corrupted or illegible during transmission. An image of a check shall be deemed received when you receive an “accepted status” confirmation from the Service that we have received the check image (if there are issues with the check image, a “deposit failed” message should display). Receipt of such confirmation does not mean that the transmission was error-free or complete, or that your Authorized account will not be charged back for the amount of the deposit and any applicable returned deposited item or other fee under the Account agreement if the check image presented is dishonored or returned unpaid for any reason by the financial institution on which it is drawn.

J. Availability of Funds.

For determining the availability of your deposits via the Service, Photo Deposits are classified as “not-in-person deposits” as defined in Regulation CC and are treated as deposits outlined in the Bank's Funds Availability Policy. If you make a deposit before 7:00 pm (Central Standard Time) on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 7:00 pm (Central Standard Time) or on a day we are not open, we will consider that the deposit was made on the next business day we are open. You understand that following our receipt and processing of the image, funds from the check will be made available for your withdrawal and/or use on the **NEXT** business day after we receive your deposit; however, longer delays may apply. You also understand that credit is provisional until settlement is final. Refer to our Funds Availability Policy for complete information.

K. Retention and Disposal of Transmitted Items.

After transmitting the Electronic Item to us, you will retain the original Paper Items securely for fourteen (14) calendar days, from the transmission date (“Retention Period”). You will retain and store the original Paper Items in a secure and locked container that is only accessible by persons needing access to such Paper Items. During the Retention Period and upon the Bank's request, customer agrees to provide Bank with the original Paper Item(s). Once the Retention Period has expired, customer will securely and irretrievably destroy original Paper Items from which they have previously created and submitted to the Bank an Electronic Item.

L. Deposit Limits.

We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit.
